

RYA SKILL DEVELOPMENT

AVAIL THIS VERY SPECIAL PROGRAM AT 80% SCHOLARSHIP ONLY FOR RYA BOOK BANK BENEFICIARIES

RYA & PRAG ROBOTICS presents an industrial robotics career program

- Candidates will be required to appear for a screening test. Date and time will be intimated via SMS or Email
- Training program will be conducted in the months of June and July 2018 at Prag Robotics premises

TRAINING: ROBOTICS APPLICATION & PROGRAMMING

Topics:

Career in Robotics Hands-on Robotics Foundation
ABB 1520 Robot Robot Studio Material Stacking
RAPID Programming Industrial Robot Operation
IRC5 Robot Controller Industrial Visit

Certification from NSDC, Ministry of Skill Development & Entrepreneurship (Govt. of India)

For engineers who want to operate an Industrial Robot and build robot application cells using the offline simulation tool.

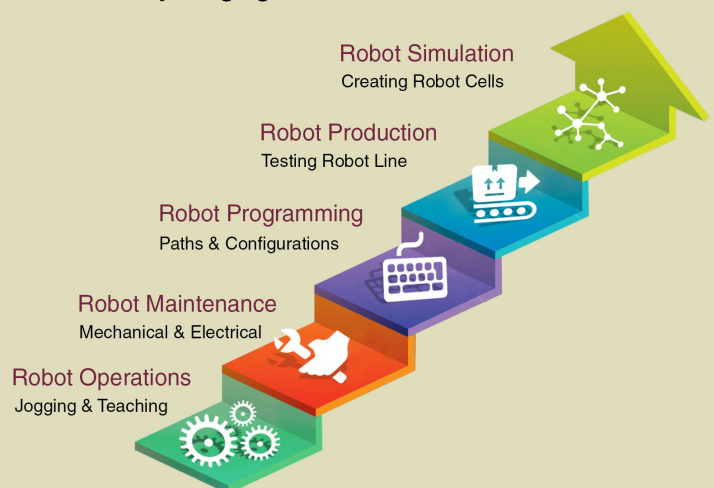

Eligibility	Bachelor/Diploma of Engineering
Duration	60 hours
Simulation	ABB Robot Studio
Hardware	ABB IRB1520 Robot Operation
Course Fee	₹ 14,000/-
RYA Scholarship	₹ 11,500/-
Student Fee	₹ 2,500/- (₹ 2,400 + ₹100)

~~₹ 14,000/-~~
Scholarship of ₹11,500/-
₹ 2,500/-

Pay ₹ 100 & Register now
LIMITED SEATS ONLY

SCOPE IN INDUSTRIAL ROBOTICS

In the industry, an engineer will be placed according to their ability ranging from:

Rajasthan Youth Association

#4, Atkinson Street, Atkinson Palace, Ground Floor,
Vepery, Chennai - 600 007
